- Paper

# Egg Box Flowers

- Use scissors to cut out flower shapes from the egg box

- You can shape them to look more like flowers.
- Cut leaves out of the lid of the egg box.

- Paint your flowers bright colours.

- When the paint is dry, stick the flowers on some paper
- Stick a button in the centre of each flower.

# Egg Box Flowers

- Use sticks or straws for the stems
- Add the leaves.

- Be creative!
- Can you see the double flower in this picture ?

- Remember to take a photo for our grand exhibition!
